12th Standard | Major: Science (PCM) | Overall: 92.36% | **Among top 10 Percentile**
Nehru World School, Ghaziabad   **2019-2020**
10th Standard | Major: All Subjects | Overall: 91.60% | **Among top 10 Percentile**

ACADEMIC PROJECTS

Project Title: Weather Info App   **January 2025 - Present**
A weather app built using Flutter provides users with real-time weather updates, forecasts, and climate insights with a sleek and responsive interface. Leveraging Flutter's cross-platform capabilities, the app runs smoothly on both Android and iOS devices, ensuring a consistent user experience. It fetches weather data from APIs like OpenWeatherMap or WeatherAPI, displaying current temperature, humidity, wind speed, and future forecasts in an intuitive UI.

Project Title: Flutter learning App   **November 2024-Present**
Designed and created Flutter Learning app. It is an interactive mobile application designed to provide users with an engaging and effective way to learn the Flutter language. The app provides a seamless and engaging experience across both Android and iOS devices.

Skills Learnt: Flutter

Project Title: Shopping Demo App   **February 2025-Present**
The Shopping Demo App is a Flutter-based mobile application designed to showcase a simple yet functional e-commerce experience. Built using Flutter and Dart, the app provides a smooth and responsive UI across both Android and iOS platforms.

Skills Learnt: Flutter
